INDEPENDENT AUDITOR'S REPORT

To the Members of Hope Empowerment and Development Organization

Report on the Audit of Financial Statements

Our Opinion

In our opinion, the accompanying financial statements give a true and fair view of the financial performance of the Organization for the year ended 31st December 2023 in accordance with the International Public Sector Accounting Standards and requirements of the Tanzania NGOs Act, No. 24 of 2002.

What we have audited

We have audited the accompanying financial statements of Hope Empowerment and Development Organization which comprise;

- i. Statement of Financial Position
- ii. Statement of Financial Performance for the year then ended,
- iii. Statement of Changes in net assets for the year then ended,
- iv. Statement of Cash Flows for the year then ended, and
- v. Notes to the Financial Statements and summary of significant accounting policies and other explanatory notes.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISA). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Organization in accordance with the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (IESBA Code), together with the ethical requirements of the National Board of Accountants and Auditors (NBAA) that are relevant to our audit of the financial statements in Tanzania. We have fulfilled our other ethical responsibilities in accordance with IESBA Code and the ethical requirements of the NBAA.

Other Information

The Board is responsible for the other information, which comprises the report by those charged with Governance, Statement of directors' responsibility, and Declaration of the Head of Finance.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements of our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we obtained prior to the date of this auditors' report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Board of Directors for the Financial Statements

The Board is responsible for the preparation of Financial Statements that give a true and fair view in accordance with Financial Reporting Standards and the requirements of the NGOs Act, No. 24 of 2002, and for such Internal controls as the Board determines are necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Board is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board either intends to liquidate the Organization or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decision of users taken on the basis of these Financial Statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board.
- Conclude on the appropriateness of the Board's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Financial Statements or, if such disclosure is inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Financial Statements including the disclosures, and whether the Financial Statements represent the underline transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the entity's financial information or operational activities within the Organization to express an opinion on the Financial Statements. We are responsible for the direction, supervision, and performance of the Organization audit. We remain responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the current period's financial statements and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partner on the audit resulting in this independent auditor's report is Jennifer Amin
